CABINETS

## **SIMPLE AND DURABLE**

Etalex has decades of experience designing cigarette cabinets for a variety of clients. Whether you're seeking to outfit a convenience store, service station or supermarket, we can tailor our products to your exact needs and requirements.

We understand that clerks and cashiers have to find the requested products quickly and easily, so that's exactly what we offer. Our cabinet drawers make it easy to separate products by type or brand for quick access.

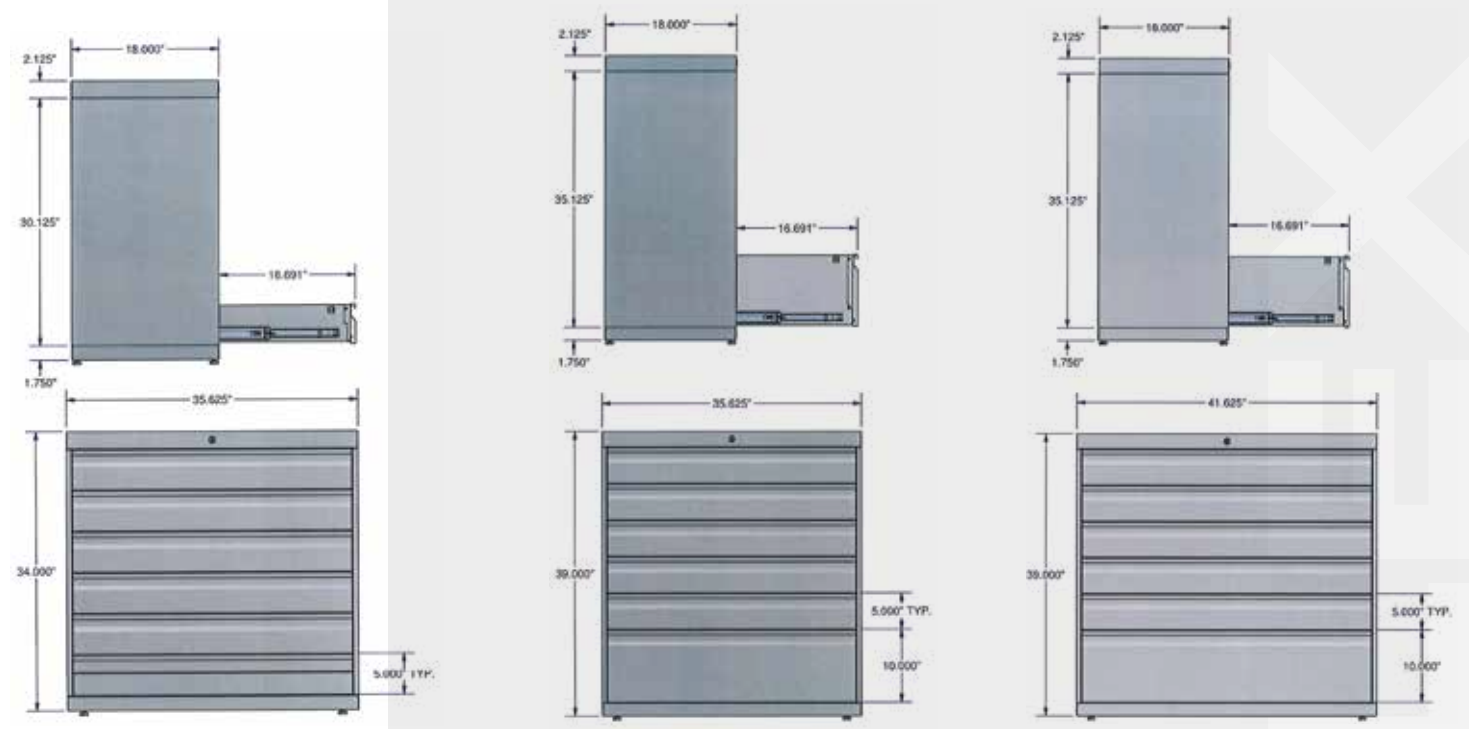

Our cabinets are made to last, with 14 Ga bases and 18 Ga structures. They come in 36- and 48-inch formats and a range of colours to suit every decor. Their hallmarks are easy installation, sleek design and proven durability.
